138 31 16

### Chapter 1 by PuppyLover

Lies, lies, lies, lies, lies,  
Crashing down through your small eyes,  
Looking down as rain falls into grass,  
Just don't look, around.

### Chapter 2 by the smiling man

Lies, lies, lies, lies, lies,  
They won't stop until you cry,

**Chapter 5 by Dmars**

And then one day, down comes your Tower of Babel  
your fantasy world

**Chapter 7 by Sarah tonin**

But suspicion haunts the guilty mind,  
seeing your own motives behind other's words and eyes.

In your mouth their power dies,  
and in your face I will throw  
all your Lies, Lies, LIIIIIIIEEEEESSSSS!

**Chapter 8 by Kathy Hall**

Silent to my ears as your lyrics fumble  
have you ever felt humble  
I must cover my eyes to avoid the next lies  
all this silence and no way to confide

my hands are tied, if you only had not lied
